Click on the "On-line Research" tab, then click on "Genealogy"

Overview of the VCGS Website

Home

An introduction to VCGS. Also, on the right you'll find upcoming Events

About Us

E-mail links to officers and committee chairs

Members Only

If you are a VCGS member, you can access the Members only area. It has a Membership List which includes e-mail addresses. Current and back issues of the VCGS newsletter are available. We will also post speaker's notes when available.

Join Us

Join, or renew your membership

Events

Upcoming VCGS events. This area includes information on the Camarillo Workshops. You may also download any handouts that our workshop speakers provide. On the Home screen, all upcoming events appear on the right hand side. Once at the Events screen, you can pull up past events. If you missed one of our workshops, you can access the handouts by using the drop-down menu next "Timeframe."

Local Records

Thousands of historical records for Ventura County.

Library

Our new searchable library catalog which will help you locate books within our collection that may help you in your research.

Facts

A series of tips to help you expand your research knowledge and skills--use the drop down menus to explore various topics

Links

Use the drop down menus to find links to help you in your research.

Surname Research

Search our surname database to find members researching your family names.
