Ancestry Academy: A gift for subscribers and members from Ancestry

[March 16, 2017 Paula Stuart-Warren](#)

Did you know that Ancestry is giving us all a gift of free, quality education? If you can log into Ancestry, as a subscriber at any level, or even with a DNA test or free family tree, you can see Academy presentations for free. You don't have to be a subscriber, but you do have to be a registered "member."

Not a subscriber? Not done a DNA test yet? But added a free tree? Simply sign in to Ancestry Academy with your own sign-in information. If you don't have this, it's simple to do right on the Ancestry Academy main page by clicking on "Sign everything! Many of the videos are accompanied by extensive handouts.
